

HoneyChill

Following the pandemic-fuelled explosion that saw growth soar by over 40%, cough remedies are now embracing another substantial upswing in Europe, **reaching a staggering market size of 1.5 billion Euro in 2023.**¹

The conventional dosage forms are syrups and lozenges. However, consumers are eager to be amazed by something groundbreaking - it should **taste refreshing**, ensure a **long-lasting soothing effect** and more importantly, **avoid the overly clinical experience.**

Discover our **HoneyChill** gummy, a groundbreaking concept with honey core and refreshing eucalyptus and citrus oil.

Yes, you heard it right:
it has a honey core.
