

MenoStop™

Women's health supplements have been witnessing tremendous growth across the world, with a CAGR of 10% in the past decade. This is in the context of a category that is already worth over 2.5 billion euros.¹

Consumers are increasingly adopting preventative and holistic solutions to improve their health.

33% of perimenopausal women across the world take supplements to treat women's health.²

One of these could be your new launch with our **MenoStop™**.

- **Qualified ingredient** – EPO providing a high level of GLA
- **Available in a variety of colours, shapes, sizes and clarity**

Meet our menopause vegan softgel with Evening Primrose Oil

Beautifully shiny and transparent, our capsule is designed to help alleviate discomfort associated with hormonal imbalances, minimize the occurrence of hot flashes, and provide comprehensive support for managing menopause symptoms.

Evening Primrose Oil contributes to promoting hormonal balance and providing relief from symptoms associated with PMS and menopause.

EPO contains high levels of **gamma-linolenic acid** (GLA), which is well known for its **anti-inflammatory** properties and its ability to support **hormonal balance**.

| Nutrients | Content |
|---------------------------|---------|
| Evening Primerose Oil | 500mg |
| Gamma linoleic-acid (GLA) | 45mg |

Vegan | Gluten free

Size: 10 oval | Colour: Clear yellow | Weight: 0,7g
