

SIRIO

BerryShield™

Urinary tract infections (UTIs) represent the most prevalent outpatient infections, affecting **60% of adult women** during their lifetime.¹

Prevention is better than cure.

Consumers the world over are willing to invest in preventative urinary tract care – a much better option than curing an existing problem.

Unlock our unique **BerryShield™** UTI gummy, powered by herbal blend of **Cranberry** and **Hibiscus** for women's urinary tract well-being.

¹ | National Institutes of Health: An introduction to the epidemiology and burden of urinary tract infections (2019)

TASTE THE DIFFERENCE.™

KEEP YOUR URINARY TRACT ON TRACK

- Convenient and Delicious
- Completely natural blend of Cranberry and Hibiscus
- Highly Efficient – Only 1 gummy per day for urinary tract health
- Suitable for a wide range of consumers – Vegan. Sugar Free. Gluten Free
- Versatile – Countless natural flavours, shapes and colours

Powerful herbal blend of Cranberry and Hibiscus for a healthy urinary tract

Antioxidant-rich **Cranberry** has been shown in studies to be beneficial in helping regulate bacterial fauna and reduce the severity of outbreaks, while **Hibiscus** may help prevent bacteria adhering to the linings of the urinary tract and bladder wall.

Hibiscus contributes to the functionality of the urinary tract. (EFSA pending claim)

Nutrients	Content
Cranberry Extract	120mg
Hibiscus Extract	60mg
